

An artistic illustration of an underwater scene. In the top left, a large blue whale with white stripes on its tail is shown from the side, swimming towards the right. The background is a soft, textured mix of light blue and green, suggesting sunlight filtering through the water. Numerous small white bubbles are scattered throughout. In the center, several small blue fish with white outlines are swimming. To the right, there are white, feathery or seaweed-like structures. In the bottom right corner, a large, dark blue rock or coral formation is visible, with a few small white fish swimming near it. The overall style is soft and painterly.

A Small Killer Barnacles

An underwater scene with a light blue and green background. In the top left corner, there is a blue fish with white stripes. In the bottom left corner, there is a blue fish with white stripes. In the bottom right corner, there is a blue sea turtle with white spots. In the center, there is a large white rectangular area containing the text "How many Sea animals do you know?". The text is in a dark blue, sans-serif font. There are also some white bubbles and seaweed in the scene.

How many Sea animals
do you know?
